- **STAPLES** may NOT be used in the tables.
- **LITTER**: Paper and tape must be removed from display panels, tables, and the surrounding area then placed in the nearby trash receptacles at pick up.
- **DISPLAY PANELS** may NOT be moved, nor additional display panels added.
- **SCHOOL ID cards** are the property of WPSAF; please do NOT remove them.

**DISPLAY PANELS**: Displays consist of metal wire screens (37.5”x 72”). *(See PHOTO link in BOOKMARK)*

Unless otherwise notified:

**ELEMENTARY SCHOOLS**: TOTAL of 2 sides
- 2 display panels/one side only-in an approximately 3’ x 6’ floor space

**MIDDLE SCHOOLS**: TOTAL of 6 sides

**NOTE:** Display panels may NOT be moved; additional display panels may NOT be added. Plan your exhibit with artwork that will fit on the display panels in the configuration as shown on the layout.

**BYO DISPLAY PANELS:** If you have been pre-approved to bring your own display panels, you are expected to adhere to the number of display panels, the layout design and the amount of space allocated other schools when arranging your display. You must stay within the guidelines. **Your display panels, footers and all the artwork MUST be identified with your school’s name.**

**MULTIPLE ART TEACHERS AT ONE SCHOOL:** If there are several art teachers at one school, the teachers will need to consolidate their students’ works onto the display panels allotted for that level, i.e., Elementary, Middle or High.

Please be sure all work is properly labeled as shown and placed on or under the bottom right-hand corner of the mat or 3D piece. All 2D artwork is to be matted for display. Artwork not labelled correctly cannot be considered for an award. Please PRINT CLEARLY.

**NOTE:** PHOTOGRAPHY teachers. It has been suggested that the MEDIUM section be clarified as follows:

- **Photography** - Images that demonstrate proficiency with photographic techniques. Editing includes minor adjustments including color correction, brightness / contrast and cropping.
- **Digital Photography** - Images that demonstrate proficiency with photography and creative editing techniques. Anything beyond the minor adjustments should be included in this category.

High schools may use students’ full names.
Middle and elementary schools may use first names but only last initials.

**SCHOOLS INFORMATION TENT**
This 10’x10’ tent is located along the sidewalk between the Schools Exhibit tents and the Museum tents for children’s activities.

**SCHOOL IDENTIFICATION CARDS**
WPSAF will attach an 8.5” x 11” horizontal School Identification Card on your school’s cluster of display panels. The ID Cards are the property of WPSAF and should remain with the display panels.

**OCPS** requests their schools also use the OCPS-provided signage (roughly 4”x8”) on all OCPS exhibits.

K-8 and K-12 schools should use separate ID cards for each level, i.e., ELEM, and MID, and HS.

**NOTE:** Tables for 3D artwork will need school signage provided by the teachers.
SET UP SCHEDULE / SHORT-TERM PARKING
Several short-term parking spots will be made available to you Thursday and until 9 am Friday in the West Meadow parking area located between the US Post Office and Morse Blvd with entrance from New York Avenue. There is absolutely NO parking in the Post Office parking lot. We highly recommend you bring a hand truck and a helper to unload and assist with your setup.

To better accommodate your needs, we suggest this guideline:

Thursday, March 19, 2020
8:00 am - 2:30 pm – anyone
2:30-3:30 pm – high school art teachers
3:30-4:30 pm – elementary school art teachers
4:30-5:30 pm – middle school art teachers

Friday, March 20, 2020
8 – 9 am – anyone (Judging begins at 9 am)

You may remove your exhibit AFTER, but not before, 3:30 pm. City crews must remove display panels at 4 pm in order to complete their multiple tasks at the end of the Festival. It is a tight schedule for them and therefore for all of us. Your accommodating this schedule in the past has been extraordinary. Thank you!

Please!
Be certain we have cell numbers for the parties responsible for removing your exhibit, and that they know their responsibilities regarding breakdown and time limits.

REMEMBER:
• DON'T LITTER! Display panels and surrounding area must be left in good condition without paper clips, tape or other attachments. Use the nearby receptacles for trash and recyclables.
• SCHOOL ID CARDS are to remain on your exhibit; they are the property of WPSAF.
• Avoid disappointment! Remind your students and parents that the EXHIBIT ENDS AT 3:30 PM SUNDAY. (Closes 5 PM on Friday, Saturday).

STUDENT CERTIFICATES
Each student exhibiting art work may receive a 2020 WPSAF certificate.
It is helpful to pre-order the number of certificates you require to schools@wpsaf.org.
In the subject line, place SCHOOL NAME AND # of CERTIFICATES. Your packet will be waiting for you at the Information Tent when you check-in.
NOTE: Certificates cannot be mailed out after the festival.
